My Eoffering

I would like you to consider participating in our online giving designed to simplify weekly giving in our parish.

Electronic giving will enable every household or individual to make their church offering using electronic funds transfer or credit card. You may already be using online bill pay for your mortgage, car payment, or insurance premium through an automatic withdrawal from your checking or savings account. Many of you also have used your credit cards to purchase goods online through Amazon, eBay, or a number of other sites.

We have teamed up with myEoffering to enable you to use the same process to give your offering electronically from your bank account, credit or debit cards.

There is no cost to you for this giving option. If you are currently giving on a weekly basis, you will not longer need to write out 52 checks a year or prepare 52 envelopes. And when travel, illness or other circumstances prevent you from attending services, this program will allow your weekly offerings to continue uninterrupted.

You can participate in the electronic giving program immediately. Just visit our church website sjucc.com and look for Please Support Our Church and click myEoffering to register.

Thank you for considering this new giving opportunity.

Fr. Stepan Bilyk
