## Year 2026 St. John the Baptist parish parishioners list update.

Dear parishioners,

To properly maintain our parishioner register up to date, we are changing the way we handle registering new and maintaining current parishioners. During recent years, we have noticed that many parishioners have not picked up their yearly donation envelop boxes, though they are registered as parishioners who receive donation envelopes, which leads to us discarding about 45-50 boxes of envelopes every year. This leads to poor use of valuable parish resources. Please understand if registered families or individuals do not make any financial contribution to the function of the parish at least once a year then we will not issue them donation envelop boxes and will place their registration on hold. Once they become inactive parishioners for the second year then we will remove their registration information from the parish register and they will no longer be our parishioners.

Also, we are so grateful to everyone who has registered for the E-offering option for our parish. Please participate in this program as it helps us tremendously in keeping record of your donations and alleviates much of physical and time consuming work on part of our volunteers to work with the envelopes. We encourage all of you to register for E-offering as soon as you can. Please visit our website at [www.sjukrcc.com](http://www.sjukrcc.com) for more information.

Because a significant portion of our parishioners use the E-offering program and do not use the physical donation envelops, we will stop issuing physical donation envelops for these participants specifically starting from the beginning of 2026. The cost to print one donation envelops box is \$10. We print 325 boxes yearly. Consequently, there is little reason to print the boxes and have those which are not picked up left over unused. Taking into consideration this situation, the parish financial council has decided to create E-offering parish registration numbers which will start from number 1,000 and these new parish registration numbers will be assigned to parishioners who participate in the E-offering program. The new parish registration numbers will be emailed to the E-offering program participants during December 2025.

Thank you for your understanding with regard to these changes.

With great respect and gratitude,

Fr. Stepan Bilyk

### My Eoffering

I would like you to consider participating in our online giving designed to simplify weekly giving in our parish.

Electronic giving will enable every household or individual to make their church offering using electronic funds transfer or credit card. You may already be using online bill pay for your mortgage, car payment, or insurance premium through an automatic withdrawal from your checking or savings account. Many of you also have used your credit cards to purchase goods online through Amazon, eBay, or a number of other sites.

We have teamed up with myEoffering to enable you to use the same process to give your offering electronically from your bank account, credit or debit cards.

There is no cost to you for this giving option. If you are currently giving on a weekly basis, you will not longer need to write out 52 checks a year or prepare 52 envelopes. And when travel, illness or other circumstances prevent you from attending services, this program will allow your weekly offerings to continue uninterrupted.

You can participate in the electronic giving program immediately. Just visit our church website [sjucc.com](http://sjucc.com) and look for Please Support Our Church and click myEoffering to register.

Thank you for considering this new giving opportunity.

Fr. Stepan Bilyk

Our donation to the parish: Sunday, November 23, 2025—\$4,818.25

**Saint John the Baptist Church**  
**Whippany, New Jersey**
